## INTRODUCTION

EMPOWERING HERO, ENABLING FORCES.

MKU Limited is a global defence technology company driven by the mission to Empower Heroes and the Nation's Military & Homeland Security Forces. Through our deep defence experience and integrated offerings, we bring together the **Soldier, Sensor, and Platform** into cohesive combat combinations across the entire battlefield spectrum.

We design, develop, and deliver **smart solutions for survivability, situational awareness, and platform modernization**, ensuring that soldiers and platforms remain combat-ready, confident and mission-effective in the most demanding conditions.

Headquartered in India, with additional operations in Germany, the UAE, and Brazil, MKU has built a strong global footprint and is trusted by more than **230 forces in over 100 countries**.

Our philosophy of smart technology, smart design, smart functionality, and services defines everything we do.

## HISTORY

### **Major Milestones:**

1985: Commenced Operations

1992: The sole supplier of fiberglass helmets to the Indian Army

2000: Introduced personal protection solutions alongside body armour & helmets

Awarded in 2025 by SIDM

## OUR INFRASTRUCTURE

- 5 manufacturing facilities
- In-house testing labs
- 500+ employees

## MANUFACTURING FACILITIES

Malwan, Uttar Pradesh,  
INDIA

Rooha, Uttar Pradesh,  
INDIA

Kanpur, Uttar Pradesh,  
INDIA

MKU GmbH  
Sittensen, GERMANY

Knight Rider Technologies FZC  
(A subsidiary of MKU Limited)  
Ras Al Khaimah  
UAE

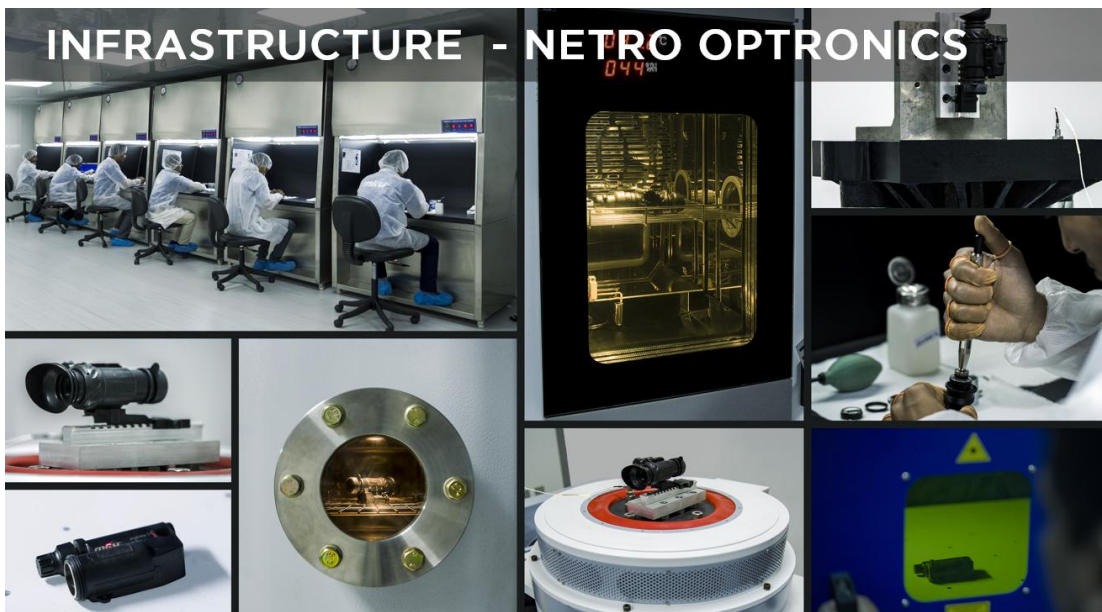

## PRODUCTION CAPABILITY

- 400,000 Sq. feet manufacturing area
- 20,000 optronics produced annually
- 200,000 helmets produced annually
- 6000 armour kits produced annually
- 150,000 body armour produced annually
- 300,000 armour inserts produced annually

## KAVRO PROTECTION

## NETRO OPTRONICS:

## NETRO OPTRONICS SOLUTIONS

Netro Optronics Solutions provide cutting-edge surveillance, target acquisition, night vision, and thermal imaging technologies for both soldiers and platforms.

### **PRODUCTS/SOLUTIONS:**

- **Aiming Solutions:** Night vision sights, Thermal sights, laser range finder, Reflex Sight
- **Airborne Solutions:** Aviation night vision goggles
- **Situational Awareness & Surveillance Solutions:** Thermal Bi-ocular, Dual tube Binocular, Fused Night Vision Monocular, Night vision Monocular, Night Vision Bi-ocular
- **Driver Night sights for tanks**
- **Anti-drone system**

## KAVRO PROTECTION SOLUTIONS

### Products/Solutions:

- **Ballistic Helmet:** Rifle rated helmet, ACH combat helmets, Hi Cut combat helmets, Mid cut combat helmets, PASGT, accessories
- **Body Armour & Armour Inserts:** Body Armour Systems, Covert Vests, Protech Overvests, Special Purpose Overvests, Tactical Overvests
- **Ballistic Shields:** Handheld Shields, Soft Shields, Trolley Mounted Shields
- **Platform Armouring:** Aircraft, Land Vehicle & Naval Vessels Armouring

### Technology:

- Macromatrix technology (Helmet), kirosoft technology (Body Armour), Kiroshield technology (Ballistic Shield) , RHT (reduced helmet trauma) ILDS (insta load distribution system), Quick release system

## **NAVRO PLATFORM MRO SOLUTIONS**

NAVRO Platform MRO Solutions revive, upgrade, and modernize critical national assets including aircraft, jets, helicopters, armoured fighting vehicles, infantry combat vehicles, and air defence systems.

### **Products/Solutions:**

- **KEY PROJECTS & HIGHLIGHTS**

- AN-32
- MI-17
- Su-30

- **PLATFORMS WE SUPPORT**

- T-72 tanks
- T-90 tanks
- BMP Series & ICVs
- ZSU-23-4 – Shilka Air Defense System
- tunguska Air Defence Systems
